## Publicity and Photo Release Form

The Evergreen Union School District is making a concentrated effort to promote the positive activities, honors, and work of our staff and students. This includes involvement with the local media and also developing our own publications as well as distance learning events involving organizations outside of our local area. These publications include information, likenesses, and images, which may appear on the district website as well as in other publications both on the web and in print.

As we go about this project, there will be opportunities for various students to be interviewed and/or photographed and **identified by name and classroom or school**. However, we understand that some parents may request that we do not identify their student(s). Please fill out the form below to inform us of your wishes regarding publicity. **Please note, however, that your student's image or likeness may appear in occasional candid photos without any type of name identification and the use of these candid photos of your student is permissible. This photo release form does not apply to photographs taken during extra-curricular activities. Students who attend extra-curricular activities forfeit their rights to retain authority over the publication of photos taken.**
